NOTES

1. On a completely scratchbuilt locomotive or car the exempt parts constitute approximately 10%.
2. Refer to the Model Contest Directory for exempt items under each category.
3. This Scoring Aid is intended as a guide only. If the judge finds that a particular model does not fall into any of the above divisions, he will score the model as he evaluates it.
4. Keep in mind that under *Scratchbuilt* the judge is evaluating **quantity** only. **Quality** is judged under construction.
