NOVEMBER 2013

By Peter Jackson

The group had met on numerous occasions during the year to progress work on the display layout and further develop personal modelling skills. This final meeting at Ray and Marcelle Applebee's home was purely a social occasion to reflect on the year's activities and welcome in the Xmas season.

Some 13 members and partners attended and a pleasant afternoon was had by all with plenty to

eat and drink thanks to Ray's BBQ skills and Marcelle's catering prowess!

Thanks were given to Max for his contribution during 2013 as co-ordinator of the group.

Lots to look forward to in 2014!
